

Proclamation

The Bone & Joint Center at Straub and Kapi`olani Medical Center for Women & Children (affiliates of Hawai`i Pacific Health) believe it is important to encourage a healthy and active lifestyle for all of Hawai`i's keiki. By promoting exercise and proper nutrition to prevent obesity, increasing awareness of injury prevention, and, understanding the dangers of drugs, our children can lead fuller and happier lives.

On October 22, 2006, the Bone & Joint Center at Straub and Kapi`olani Medical Center for Women & Children will host a free event entitled *Kids Fest*, at the Bishop Museum. The event will educate the community about living healthy.

Program chairs Cedric Akau, M.D. and Spencer Chang, M.D. of the Bone & Joint Center at Straub have assembled a team of community health professionals to staff various health-related workshops.

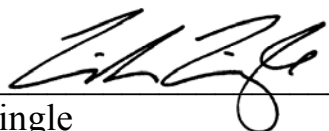

Kids Fest will be a day of fun that the entire family can enjoy. The event will include interactive health-related booths, entertainment, games and many other activities sponsored by various community organizations.

THEREFORE, I, LINDA LINGLE, Governor of the State of Hawai`i, and **I, JAMES R. "DUKE" AIONA, JR.**, Lieutenant Governor, do hereby proclaim October 22, 2006, as

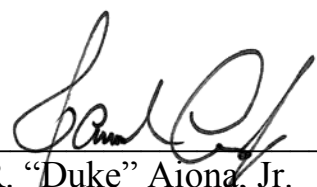

KIDS FEST DAY

in Hawai`i, and thank the Bone & Joint Center at Straub and Kapi`olani Medical Center for Women & Children for their dedication and commitment to encourage a healthy lifestyle for all the keiki of our aloha state.

DONE at the State Capitol, in the Executive Chambers, Honolulu, State of Hawai`i, this sixteenth day of October 2006.

Linda Lingle
Governor, State of Hawai`i

James R. "Duke" Aiona, Jr.
Lieutenant Governor, State of Hawai`i
